Sisamouth (Regular) 74/58pt

March 18, 1970, which saw the overthrow of Prince Norodom Sihanouk, Samouth started to sing propaganda songs in support of the fledgling Khmer Republic. In that rare live 1971 television show mentioned earlier, Sinn Samouth appeared in military fatigues, wearing an officer's cap to hide his slightly balding forehead, and performed a number of pro-republican songs.
